NO. 69.

Vote the Straight Democratic

Ticket on Tuesday, November 2, 1909.

And you will never regret it. What some of the leading business men of Lincoln and Boyle counties say of our countyman, W. L. McCARTY, the democratic nominee for sheriff:

We have known Mr. W. L. McCarty, the nominee of the Democratic party for Sheriff of Lincoln county, as a citizen and customer of the First National Bank of Stanford, for a number of years and we believe him well qualified in every way to discharge the duties of that important office to the entire satisfaction of the people of our county. We think him worthy of your consideration.

Very truly,

Mr. W. L. McCarty, the present nominee of the democratic party for Sheriff of Lincoln county, has done business with us for years and knowing him as we do, we can commend him to all the good people of Lincoln county.

W. M. BRIGHT, Cashier, and S. H. SHANKS, President Lincoln County National Bank.

Mr. W. L. McCarty, Stanford, Ky.

Dear Mr. Mack: For 20 years that you did business with the Farmers National Bank, of this place, there was no one of our customers who was more correct in keeping himself better informed as to condition of his balance and who was more satisfactory in all your dealings. We have often written city merchants that any statement you would make was entitled to full credence, that we had always found you upright and reliable, and had no hesitation in accommodating for what you needed, that you had always met every obligation as agreed and that we held you in high esteem.

Very respectfully yours,

G. W. WELSH, Cashier.

MATRIMONIAL.

Miss Gertrude Walker, aged 15, and Horace Suter, 17, were married at Owenton.

James Smith and Miss Essie Terrill were married at the court-house Saturday by Judge Owsley.

Edgar Scott and Miss Lucy Dean, aged 16, were married at Nicholasville. The bride was a student at Jessamine Institute.

The great-grandchildren of Fountain W. Hutlett, aged 71, and Mrs. Sarah N. Stigers, aged 70, both of Franklin county, were the principal attendants at the wedding of their grandparents.

Its A Top Notch Doer.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the king of Throat and lung remedies. Every atom is a health force. It kills germs and colds and lagrippe vanishes. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. Moore, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1. Trial bottle free. Guaranteed by Penny's Drug Store.

The old saying that lightning never strikes twice in the same place is without foundation at least in some instances, says a Glasgow dispatch. A year ago lightning struck a tree on the farm of Squire Petty over in Warren county, and killed a fine horse. A little later in the same year lightning again struck the same tree and killed 30 fine turkeys valued at \$1.50 each. Last week lightning again struck this ill-fated tree and killed two horses worth \$200. It goes without saying that this tree will be cut down and converted into wood before it has another chance to act as a conductor for lightning.

The Bed-Rock of Success.

Lies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lizemore, W. Va., writes: "They are the best pills I ever used." 25c at Penny's Drug Store.

The navy is soon to conduct experiments in long-distance wireless telegraphy. Impressed with the importance of a system which will in cases of necessity transmit messages from some place on the Atlantic seaboard a distance of 3,000 miles, the subject was taken up in earnest.

The Glasgow Times remarking on Governor Willson's assertion that politics will cut no figure in applications for pardon, asks that everybody who believes such a statement after his pardon of Powers and others to talk through the telephone at the same time.

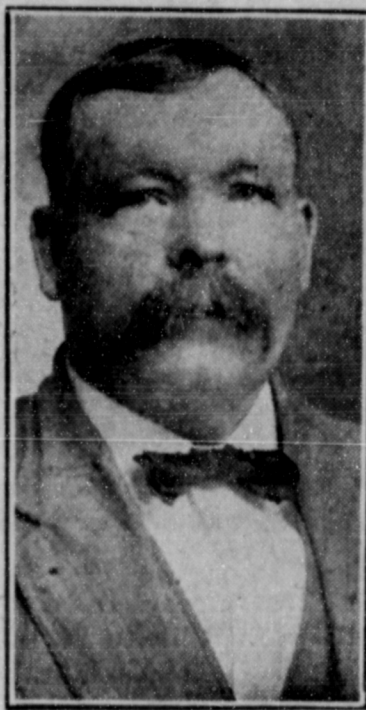

"Health Coffee" is the cleverest imitation of real coffee ever yet made. Dr. Shoop created it from pure parched grains, malt, nuts, etc. Fine in flavor—is made in just one minute. No 20 or 30 minutes tedious boiling. Sample free. Penny's Drug Store.

She said her hair was all her own. The jealous cats Responded in disdainful tone: "Rats."

A tickling or dry cough can be quickly loosened with Dr. Shoop's Cough Remedy. No opium, no chloroform, nothing unsafe or harsh. Sold by Penny's Drug Store.

Waggs—I have found something besides a candle that will answer that old riddle, "the longer it stands the shorter it grows."

Waggs—What is it? Waggs—A candidate. The longer he stands for office the shorter he grows financially.

IKE TERRY.

The above is a good likeness of the republican nominee for jailer of Lincoln county. Mr. Terry is 52 years of age and was born and reared in Lincoln county. He has been in the farming and timber business in this county for many years, and by his straightforward dealing has made many friends, who, regardless of politics, wish him well in his present race. He is well qualified by nature and training for the important position for which he is now a candidate, and if elected he will fill the office with credit to himself and satisfaction to the voters and taxpayers.

IN NEIGHBORING COUNTIES.

John Keeney, aged 80, is dead at Somerset.

The jury in the case of Wm. Sparks, for killing Joe Jake Collins in Madison, disagreed and was dismissed.

Paris Shotwell, with his brother, charged with killing Deputy Sheriff Jones at Corbin, was held without bail.

Ernest Baxter, aged 18, died at Richmond of lockjaw, following the piercing of his foot with a piece of wire a few days ago.

In summing up the amount of the estate of the late Judge Vincent Boring for final settlement it has been found that it amounts to \$410,000.—London Democrat.

Col. T. M. Thatcher has returned from Wichita, Kansas, where he disposed of two town lots for \$7,500. These lots Col. Thatcher had purchased there during the great boom some 20 years ago.—Somerset Journal.

An indictment charging embezzlement from the funds of the Citizens National Bank at Monticello was returned in the Federal court at Covington against Charles McConaghy, former cashier of that institution.

Mr. Ed Walker, who has been in Louisville under special medical treatment, will return home this week. We are glad that his condition is improved. Messrs. Ed and N. B. Price gave a duck supper in honor of Dr. and Mrs. A. S. Price, who left Wednesday for their new home in Stanford.—Lancaster Record.

The work of restoring the monument over the grave of Daniel Boone in the State cemetery to its original beauty, has been completed by the Boone Monument Commission, created three years ago by the general Assembly. The medallions or bas-relief work on the four sides of the monument have been replaced. An iron fence will be placed about the monument to prevent vandals from defacing it.

It is the weak nerves that are crying out for help. Then help them, don't drug the stomach or stimulate the Heart or Kidneys. That is wrong. Vitalize these weak inside nerves with Dr. Shoop's Restorative and see how fast good health will come to you again. Test it and see. Sold by Penny's Drug Store.

This paper has admonished the democrats of Lincoln county to leave no stone unturned in their efforts to elect the magnificent ticket which appears on this page and from what we can gather our pleadings have not been in vain. From every section of Lincoln county good reports come and it looks now as if democracy will win hands down. The democrats are working like Trojans and are determined that the whole ticket from circuit judge to constable shall win. The men composing the ticket are too well-known to make an introduction necessary. All are and have been citizens of this county for years with the exception of Mr. Chas. A. Hardin, the nominee for Commonwealth's attorney, who resides in Harrodsburg. Many of them have proven their fitness to fill any office they might aspire to hold. They are all good citizens and full worthy of the honors they seek. In fine it is an A 1 ticket, one any democrat should feel proud to support. That it will win there is no scintilla of doubt, but don't let that fact keep any one from working and voting. Remember the bigger the majority the greater the victory and do all in your power to make the thing as nearly unanimous as possible.

A NOVEL way to enforce prohibition, made possible under the Fitzhugh-Robinson liquor law limiting the number of saloons in each precinct—one to each 500 inhabitants—came to light at Fairfield, Texas, the other day. After having been dry for some time, Fairfield, in Freestone county, went wet and almost immediately applications for permits were filed with the controller for the maximum number of saloons allowed in that precinct. The controller approved the applications. Subsequently there were more applications and the controller refused them, advising that the precinct had secured all the licenses to which it was entitled. The disappointed applicants replied that no saloons had been opened, and that the applications were taken out by prohibitionists who resorted to that method to continue prohibition.

Two brutes at Aneta, N. D., caught a 12-year-old son of Simon McKenzie, who had taken the lead in the fight against whisky, and pouring coal oil on him, set fire to his clothes. He was fatally burned. The hellhounds who committed the atrocious crime should be burned at stake after being tortured in every way possible for a while.

THE Kentucky State Journal with its new dress and increased size looks good to us. We are glad to see the splendid paper prospering. May it continue to do so.

POLITICAL.

Judge Rufus W. Peckham, Associate Justice of the U. S. Supreme Court, is dead at Albany, N. Y., after a long illness.

Patrick H. McCarron, State Senator and Democratic leader of Brooklyn, is dead. He was known as the "Boss of Brooklyn."

Mr. Millon, republican nominee for Representative of Madison county, has withdrawn from the race, leaving an open field for L. H. Herrington, the democratic nominee.

J. H. Jones, of Madison, considered one of the strongest Republicans of the ticket, withdrew his name from the Sheriff's race, leaving the Democratic candidate, D. A. McCord, a clear field.

The restraining order sued out by W. H. Jones against John L. Wells enjoining him from having his name printed on the ballots at the coming November election as the Republican nominee for County Judge of Laurel county was dissolved by Circuit Judge William Lewis.

At a big meeting held by the Negroes at the Lexington Opera house in the interest of the Fusion ticket, Rev. E. W. Hawthorne, a Negro preacher, urged the Negroes to arm themselves and go to the polls on election day, see that no repeater votes and to stand between the polls and any illegal voter.

In an open address at Corpus Christi, Tex., before the Interstate Inland Waterways League and the citizens of Corpus Christi, President Taft announced himself as strongly favoring a permanent and practical system of inland waterways as a means of controlling railroad rates, and said that he favored the policy of issuing bonds for carrying out a system of improvements.

If the independent voters will do their duty, Frank Linville, J. M. Roberts and Charlie McDowell will be elected by a big majority. Every true democrat will vote for these three men. Every true independent republican, who does not wear the collar of the ring that has cursed Pulaski so long, will vote for them. Every citizen of whatever political faith, who works for the best interests of the whole people, will vote for them.—Burnside Item.

This and That.

Charles Neely, a farmer living near Franklin, fell dead while sitting at the breakfast table.

The Veranda Hotel at Lebanon burned. The site had been purchased by the government for a postoffice building.

Judge R. L. Stout, circuit judge of the Scott district, decided that Georgetown went dry by one vote—521 to 520, in the election held 15 months ago.

Owen Dye, of Parkersburg, W. Va., and Roy Dalton, of Marietta, O., both drillers, were burned to death as the result of a gas explosion at Griffiths-ville, W. Va.

The predicted 14 cent level was reached in the cotton market Saturday. March cotton sold at that figure and May advanced to about \$1 a bale over Friday's close.

A site for the proposed monument in memory of the late Grover Cleveland will be chosen in the near future and the location will most probably be in Princeton, N. J.

The funeral of Mrs. Basil W. Duke took place at Lexington Saturday under the auspices of the veterans and daughters of the Confederacy. Dean Craik, of Louisville, recited the Episcopal burial service.

William Eschle, at whose home in Omaha, Mrs. Thomas Wendt, an aged woman, was robbed of over \$7,000 while she was doing the Eschle family's washing confessed having taken the money and returned.

During the past three years Manager Jennings, of the Detroit base ball team, has drawn \$41,500 in salary and percentage. He wants enough money this year to total him \$30,000 if his club again wins the pennant.

The board of governors of the American Textile Association has ordered all the big cotton mills of North and South Carolina to close down for a period of from 14 to 30 days in order to curtail the manufacture of cotton.

Alleging that she is confined in a sanitarium for the insane illegally and for the purpose of enabling her husband and others to get possession of her property, Mrs. Eliza Plunkett, sister of the late millionaire, Thomas Swope, of Kansas City, made application at Nashville, Tenn., for a writ of habeas corpus.

An exciting episode took place in the circuit court room at Georgetown Saturday when a crowd of 25 men invaded the room during recess and demanded of J. A. Edge, a Lexington attorney, that he produce Mrs. Kate Richardson, who was recently released from the Lexington asylum on a writ of habeas corpus through the efforts of Edge and other Lexington attorneys. Edge was later fined \$500 and sentenced to six months in jail for contempt of court in failing to produce his client, Mrs. Richardson.

F. G. Conn brought to Lancaster yesterday 85 potatoes which weighed 63 pounds and which he says he raised in one hill.

CHURCH MATTERS.

Rev. S. W. Partee, of Sharpsburg, Bath county, will preach at the Baptist church next Sunday morning and night.

Rev. Thad S. Tinsley, the evangelist, is assisting Pastor Saxby in a protracted meeting at the Christian church in Somerset.

The investigating committee of the Presbyterian Synod of New York reported sustaining the Presbytery of New York in ordaining Rev. Alexander Black, who was charged with heresy.

A large audience heard Dr. F. W. Allen, of Columbia, Mo., at the Christian church Sunday morning. His sermon on "Undenominational Church," showed much research and thought. An interesting feature of the entertainment was the excellent singing, including a duet by Mrs. J. G. Carpenter and Prof. Ireland.

The farewell services at the Baptist church Sunday night were largely attended and were most interesting. Rev. R. B. Mahoney acted as moderator and Revs. J. J. Dickey, D. M. Walker and the moderator spoke touchingly of the departure of the beloved pastor, Rev. J. Murray Taylor. The best singers in town were present and the music was an enjoyable feature of the evening. Misses Marie Mahoney and Minnie Sine sang a duet which was exceedingly well rendered. It is a source of genuine regret that Rev. Taylor is to leave Stanford. He has made many friends during his pastorate of 2½ years here and our people like him not only as a preacher but as a man. He leaves to-day and will preach his first sermon to his Washington City congregation next Sunday. The good wishes of Lincoln county people generally go with him.

Heart Strength

Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

COL. AND MRS. SAM OWENS, of McKinney, came down to attend the banquet given by Somerset Lodge No. 111, F. & A. M., in honor of Grand Master, Virgil P. Smith, Friday evening.—Somerset Journal.

It is Mrs. Nancy Herndon, who with Missouri relatives, is visiting Mrs. S. J. Embury and others of her Kentucky kin and not "Mrs. Herring" as our types made us say. Mrs. Herndon was Miss Nancy Perrin and is well remembered by our young people.

GOV. WILLSON was in town a few moments Thursday afternoon. He was returning from Liberty, where he had spoken in the interest of the republican ticket.

At the democratic speaking at McKinney Friday night much enthusiasm was evinced. Over 100 voters were present and they heard stirring speeches by Messrs. George B. Saufley, Thomas H. Shanks and Kindrick Alcorn.

News comes from Somerset that the whisky people are trying mighty hard to defeat Judge Ezra S. Gooch for city judge. This should make the people more determined to elect him and doubtless it will. Judge Gooch has made a model official and it will be a black eye to Pulaski's growing capital if he is defeated.

GOV. WILLSON wound up his speech at Liberty last week as follows: "Don't fail to roll up a big majority for Jason Wesley. If we can get the Senate and House we'll redistrict the State so we can keep in power." Think this over, Mr. Democrat, before you scratch a single nominee. Stamp under the rooster and let the game cock do the scratching if any is to be done.

THE two steers the Negro, John Fisher, attempted to sell to Land & Buchanan for a ridiculously small sum, belonged to J. D. Whitehouse, who recently bought the Ike Lanier farm, this side of Danville. The cattle were taken out of his pasture by the Negro and driven here. Mr. Whitehouse came up Friday and claimed the 900-pounders and sold them to Land & Buchanan for \$35 each. The Negro will be taken to Danville and prosecuted.

ROCKCASTLE.—Mr. D. N. Williams, of Mt. Vernon, one of the best fitted men in Kentucky for the place, is making the race on the Democratic ticket for County Court Clerk in Rockcastle. He has had the experience and understands thoroughly the duties of that office. If the republicans and democrats are as wise in that rapidly growing county as we think they are, they will elect him. Mr. Williams is the father of Attorney C. C. Williams, of Mt. Vernon, and Judge R. G. Williams, Commonwealth's Attorney of the Kenton district. He is a gentleman of the old school and is thoroughly equipped for the office he aspires to fill. We hope he will win.

GOV. WILLSON says if the republicans get the House and Senate they will redistrict the State so that they can remain in power always. Avert such a calamity by voting the straight democratic ticket.

JIM TALL is in durance vile again. He sought to exterminate Ellen Mays, also colored, with his big gun, but the latter used a poker and broke Tall's arm. He fired one shot at her but it went wide of the mark.

THE docket for the November term of the Lincoln circuit court, which begins Monday, contains 55 old Commonwealth cases and 61 Commonwealth appearances, making 116, of which 25 are felonies and 91 misdemeanors, 40 old common law cases, 17 common law appearances, 79 old equity, 21 equity appearances, including six suits for divorce.

THE convention of the Societies of Transylvania Presbytery at the Presbyterian church last week proved a most interesting occasion and great good was accomplished. Delegates were present from many counties and much work of importance was transacted. On Thursday night Revs. Boggs and Kinnaird told in an interesting way of their mountain work and on Friday night Dr. G. W. Painter gave a most entertaining lecture on "Foreign Missions." He spent a number of years as missionary to China and knew whereof he spoke. The delegates were hospitably entertained by the members of the Presbyterian church and went home feeling that it was good to be here.

COMBEST.—Hon. F. Pierce Combest, one of Casey's wealthiest and best-known citizens, died Saturday after a protracted illness. He is survived by his wife and several children, including a daughter, Mrs. S. P. Stephenson, of the West End of this county. Deceased was one of the brightest and highest Masons in the State, was president of the Commercial Bank of Liberty and an extensive farmer and stock raiser. He was a republican in politics and had represented his county in the Legislature. He was an exceedingly clever, kind-hearted man and had a legion of friends who sincerely regret his taking away. Mr. Combest frequently visited Stanford and was well-known here. The burial took place at his home at Phil at 10 o'clock Sunday morning. Peace to his ashes and condolence to the bereaved ones.

MRS. ROY ROBBINS died at her home near Preachersville Sunday, aged about 25. She is survived by her husband and two small children. Deceased was a daughter of Mr. Bailer Anderson, of Brodhead, and was a devout member of the Christian church.

65th ANNIVERSARY.—Mr. and Mrs. J. M. Hocker, who were married in Lincoln county, celebrated the 65th anniversary of their marriage at Hamilton College, Lexington, Sunday, Mr. Hocker having founded and built that splendid institution of learning. The aged couple had four living children, 14 grandchildren and 21 great-grandchildren, many of whom arrived in Lexington to be present at the celebration.

JONES.—After a brief illness of heart and kidney trouble Mr. Cyrus M. Jones died at his home near Maywood Sunday morning, aged 77. He is survived by his wife, who was a Miss Tucker, and five children and in their irreparable loss unbonded sympathy is felt for them. Mr. Jones moved to this county from Pulaski in 1858 and made a model citizen. He was a successful farmer and for a number of years was an extensive trader. Deceased joined the Cumberland Presbyterian church many years ago and so lived that he was ready and willing to meet his Maker. He leaves considerable of this world's goods and the best of all—a good name. He will be missed by his friends and neighbors, who held him in the highest esteem. At the late home at 1 o'clock yesterday afternoon, Revs. J. J. Dickey, of the Methodist church, and J. Murray Taylor, of the Baptist church, preached interesting and appropriate funeral sermons, after which the remains were laid to rest in Buffalo cemetery. Mr. Jones was twice married, his first wife being a sister of Mr. W. T. Saunders, formerly of this place.
